Summer Summary

School has started, kids are back in classes and the daylight hours are getting shorter. Fall is coming and so are fall retreats. Just a short while ago our campus was a buzz with activity. It was so refreshing to have people on the grounds again this summer.

Our camps were as normal as possible after last year. We had twelve associational camps scheduled, eleven of which were held. 1336 campers visited Grand Oaks this summer. There were 36 reported salvations and 19 rededications. Overwhelmingly everyone we visited with was excited, glad, relieved and happy to be back at camp. Please continue to pray for those that attended camps; that the seeds planted would be watered and the Holy Spirit would move in the hearts and lives of these young people.

As we close out our summer we are blessed to have several events scheduled, which is quite a contrast to last year at this time. Heading into fall we are trying to visit associational meetings, work outdoors in the nicer weather, and prepare for our October 7th board meeting. We welcome you to give us a call if you have need of a place to gather for a meeting or event. Pass the word along that we are open year-round and available to rent.

The Multi-Purpose Building project is in a planning phase for figuring out the septic system needs. We are in need of a good source that will help plan, develop and possibly install the waste treatment system.

Please continue to pray for us and this process. Also pray to seek how you might contribute to this endeavor. We thank you for your continued support of Grand Oaks and the lives that are changed here as a result of your support!

We think all of our association camps would agree with us when we say that we were so blessed to have Maddisyn Urban of Frazier Baptist Church join us in ministry this season as a Summer Missionary. Maddisyn, a Grand Oaks "lifer" who recently graduated from Missouri Western University, took on the role of collecting media, posting regularly to our social media channels, and creating highlight reels for each camp group. You can view all the camp videos she created on Facebook, and we are working on uploading them all to our YouTube channel as well. Feel free to use these in any promotion of future events at Grand Oaks. Maddisyn covets your continued prayers

as she seeks full time employment, and also plans her wedding, as she recently got engaged. Yay! Thank you again, Maddisyn, for all your hard work and dedication to the ministry here, and we pray God's blessings over your future!

WHO WE ARE

Since 1945 Grand Oaks has been a place to "win the lost, disciple the saved and train believers for Christian service." That is still our goal today as we provide a facility for our member Associations to conduct summer camps and other activities. Grand Oaks is supported solely through user fees and donations from individuals, churches and Baptist Associations. Grand Oaks does NOT receive funds from Cooperative Program giving.

The facility is open year round and is a great place for group retreats as well as family events. We encourage each of our churches to consider scheduling an event. Grand Oaks provides a quiet and usually uninterrupted experience in a beautiful outdoor setting. Won't you call soon?
